

Grayfriars Orthodox Presbyterian Church, South Figueroa Street, Torrance, will join others of their denomination today in celebrating the establishment of the Orthodox Presbyterian Church, which is separate from the United Presbyterian Church. This will be the 25th Anniversary of the Orthodox denomination.

Pastor David Calderwood will outline the basic differences between the United Presbyterian and Orthodox Churches at the 11 a.m. service.

He will also include the rea-

sons why the Orthodox church has not chosen to be a member of the National Council of Churches, the reasons for their strict adherence to the Westminster Confession of Faith and the King James Version of the Holy Bible, and the role which is being played in education of their members to recognize all types of alien doctrines such as Socialism, Humanism and Communism and others isms based on the theory of no God.

THE CHOIR, under the direction of William B. Power,

will make its first appearance in newly acquired choir robes of vivid sapphire blue with stoles of gold bearing the sign of the cross. Special choral numbers are being planned with the cooperation of Mrs. Dolores Stowe, organist, and Mrs. P. Lowe, soloist.

Young people's and Evening worship service will also follow the general Silver Anniversary theme of the founding of the Orthodox faith. Calvin Malcore, assistant pastor, will officiate at all evening functions.

MALCORE, chairman of the

Christian Education Committee, and Richard Gorham, superintendent of Sunday School, have announced their plans to outline, at the morning Sunday School, some of the high points in the life of Dr. Gresham Messem, founder of the Orthodox Presbyterian Church USA, internationally famous clergyman, and former professor at Princeton Theological Seminary.

Both Adult and Junior Sunday School will then be told why Dr. Messem found it necessary to create a separate arm

City Calls Applicants

A call for applicants to fill the city planning director post went out this week with a deadline of June 29 set for applicants, according to T. E. Donovan, personnel officer for the city. Examinations for the post have been scheduled for July 8, he said.

Persons seeking the job must be a college graduate with a degree in planning, civil engineering, architecture, landscape architecture, business, public administration, or economics, and must have had five years of "increasingly responsible experience in municipal planning," according to the specifications announced for the post.

Sought is a replacement for George Powell, who resigned last month to enter private business.
